Kigali Ceramics is dedicated to providing innovative tiles that make decoration easier.

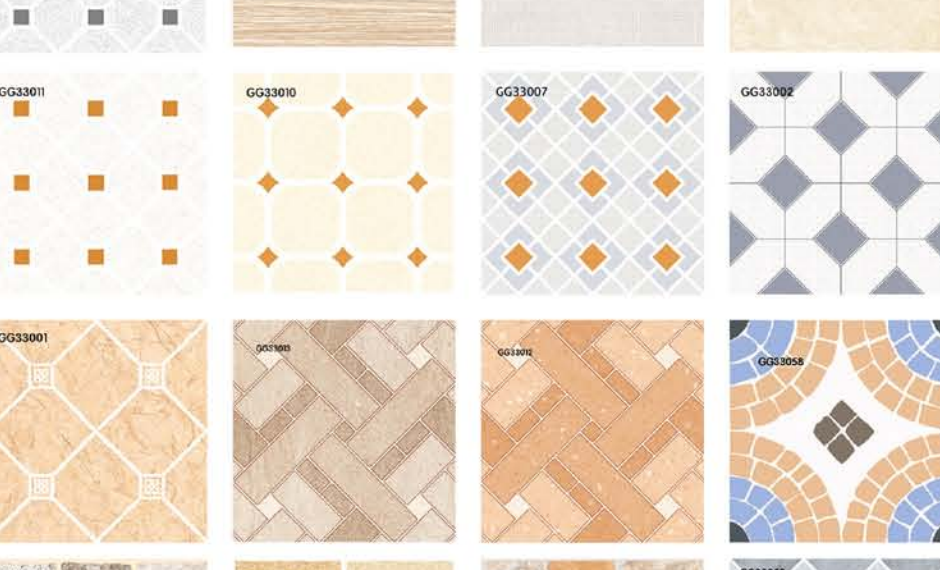

Established in Kigali, Kigali Ceramics is a professional manufacturer of tiles, toilets, washing powders, PVC ceilings and marine boards. Our products combine quality and design and are ground breaking and ahead of the market trends. Kigali Ceramics's tradition of clay-making excellence, combined with the newest technology, makes every tile a functional work of art.

We invite you to call 6688 for more information and visit our branches all around Rwanda.
